By: Nolan, Alex and Lucas

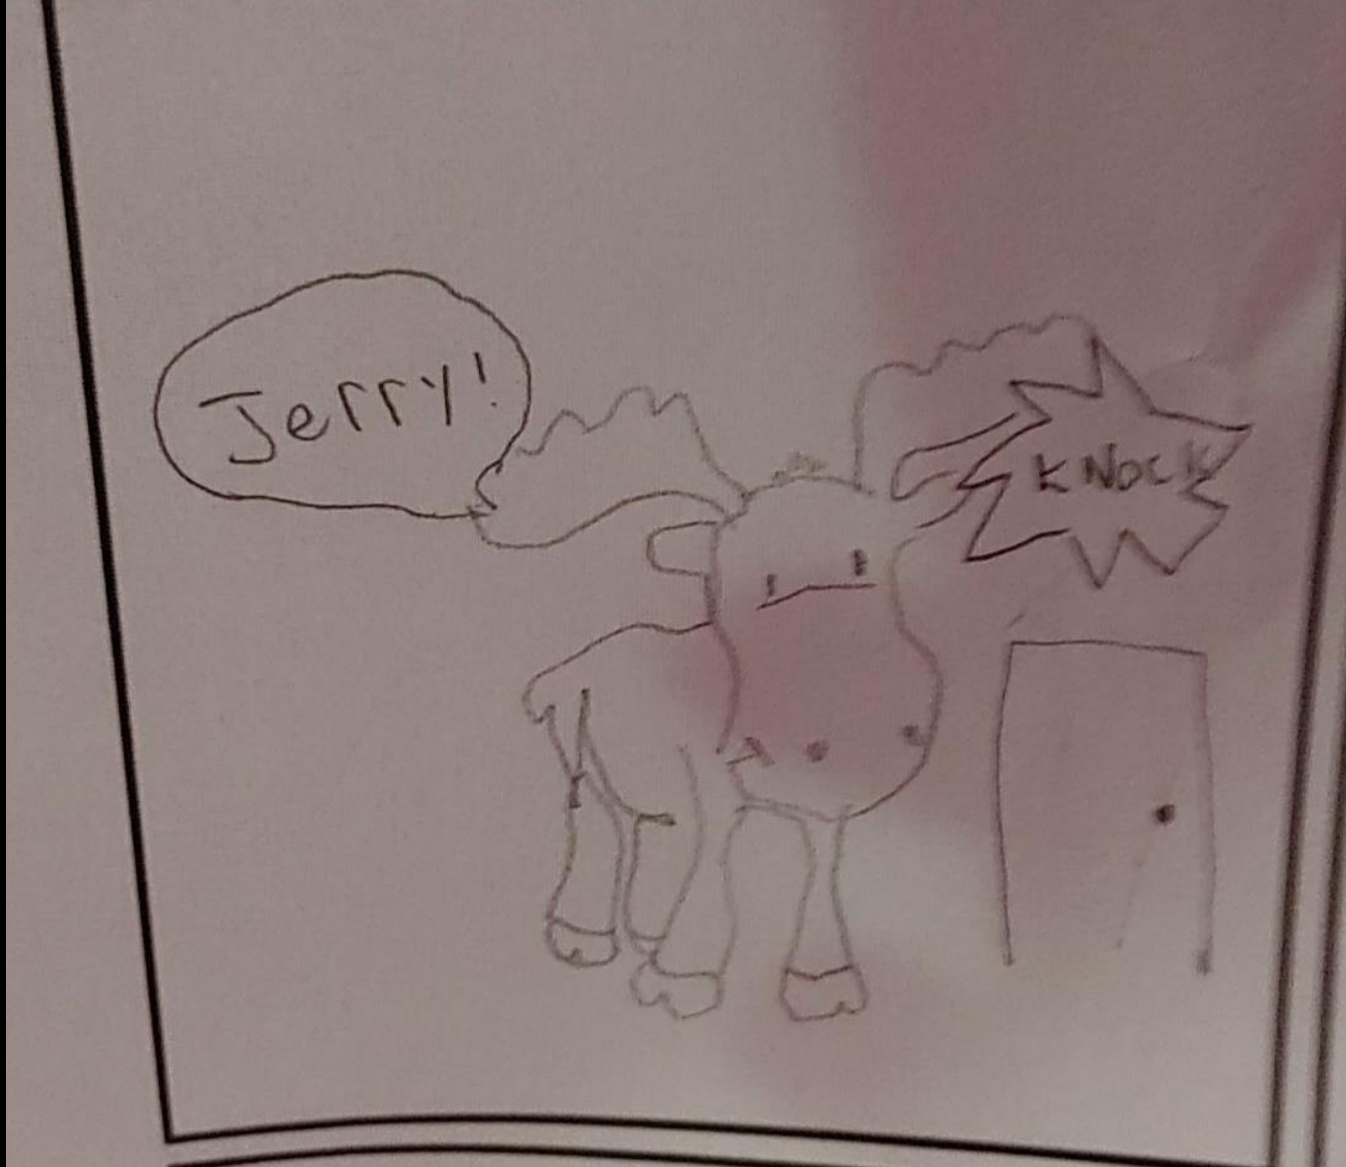

Alright  
Mom

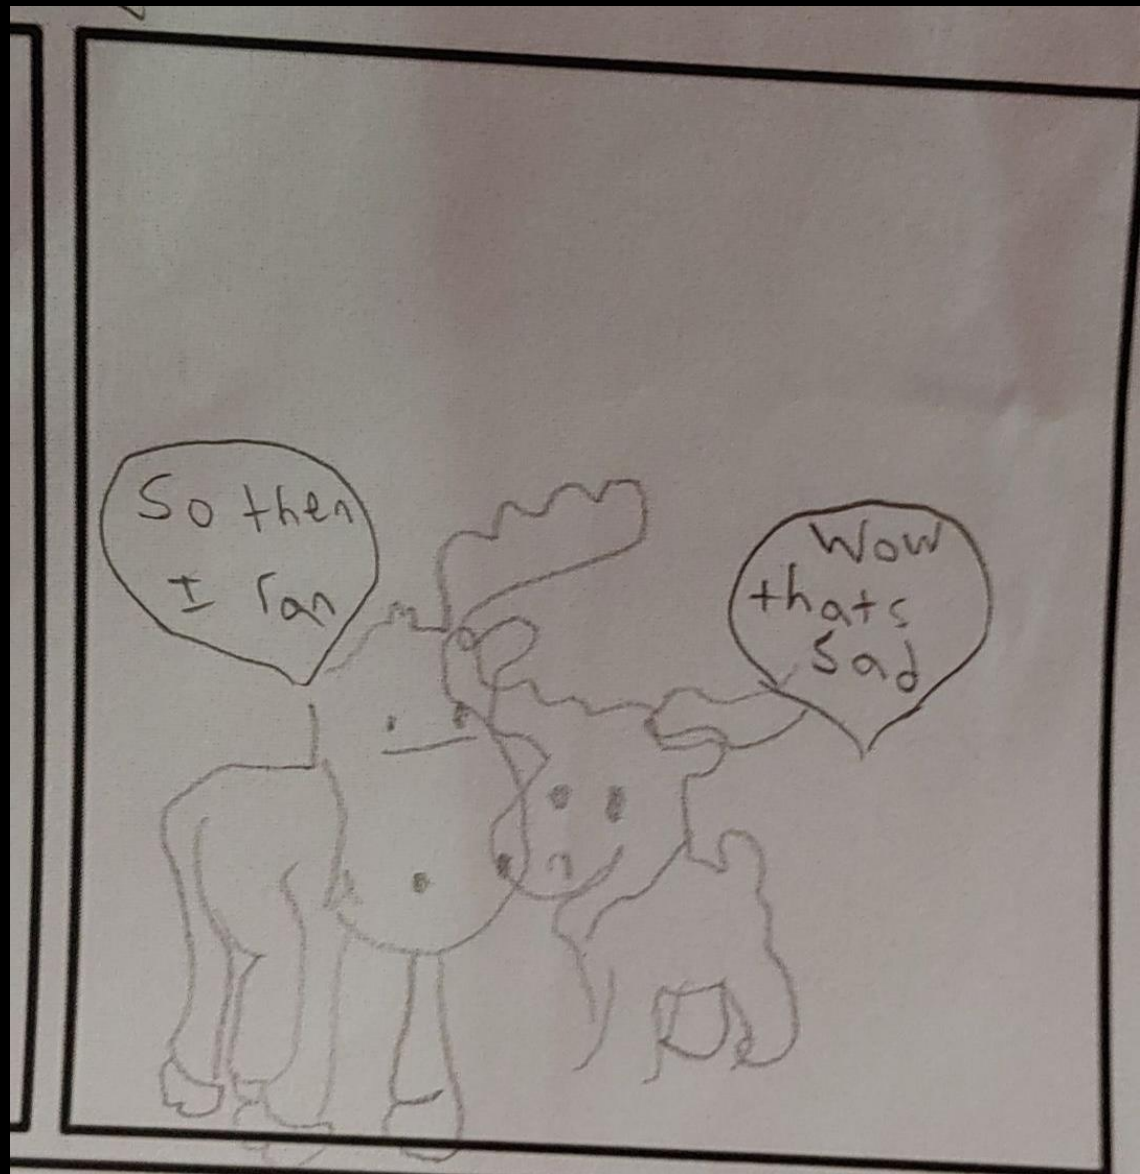

come on  
Terry let's  
go pick some  
berries

I got to  
go to my  
friend Jerry's  
house

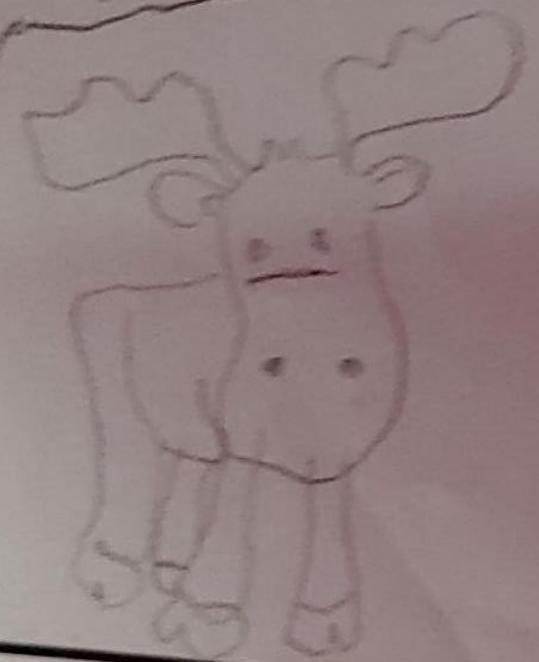

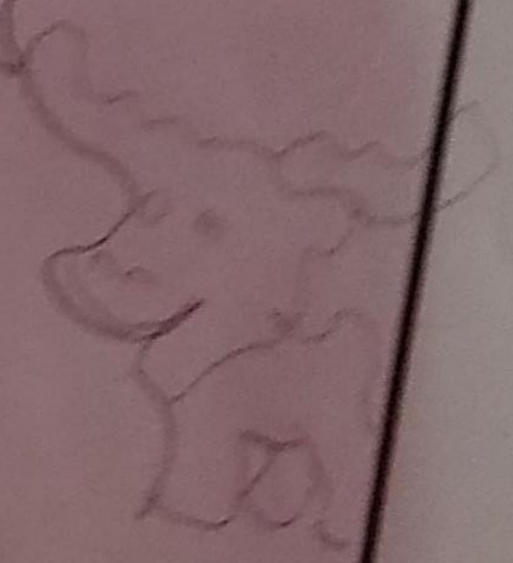

So then  
I ran

Wow  
thats  
sad

make sure to barricade  
the door!

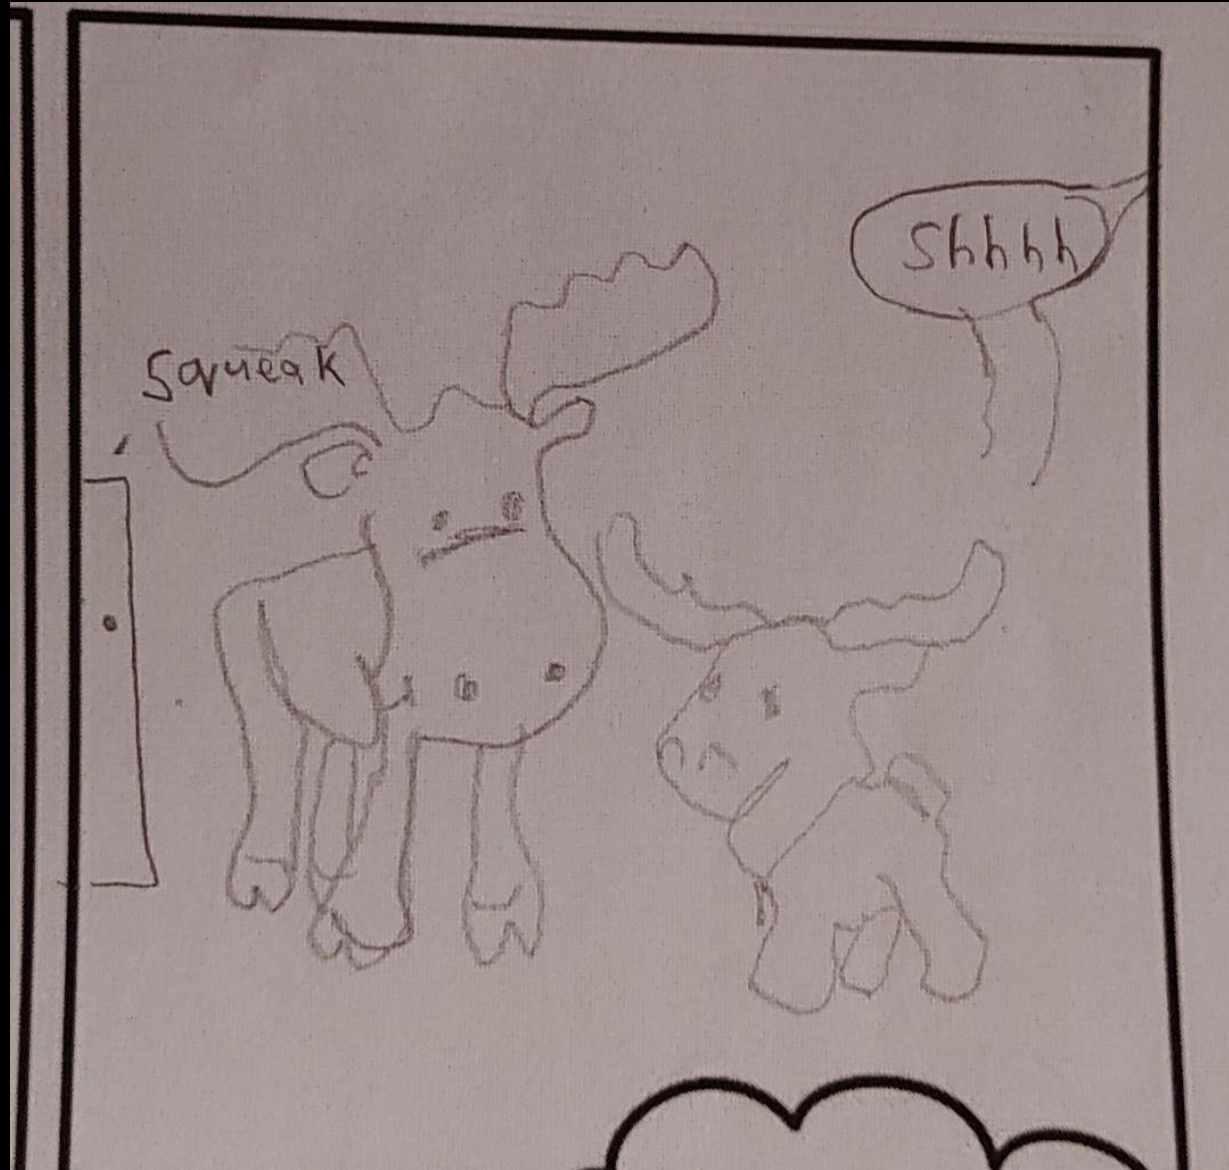

Got you,

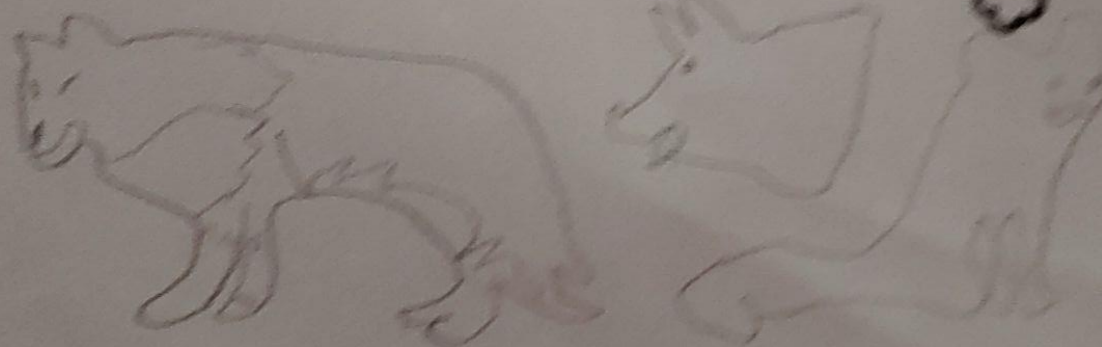

The wolves  
are here!

Were are  
these guys?

There's your home

Wow thanks Jerry
