# 7 SACRED TEACHINGS

in the eyes of Wulastukw Wolohekitimok students

From September 2022 to May 2023, students from the Malsom and Cihpolakon clan from Wulastukw Wolokehkitimok created this comic book to share a little about their wolastoqey culture. With the help of Youth Fusion coordinator Maria Nazareth Araujo and their teachers Mrs. Marianne Waite and Mr. Paul Woodcock, students wrote and illustrated short comic stories - each one of them based on one of the seven sacred teachings.

The land in which this book was written is on the traditional unceded territory of the Wolastoqiyik, Mi'kmaq and Peskotomuhkati peoples. This territory is covered by the "Treaties of Peace and Friendship" which these nations first signed with the British Crown in 1726. The treaties did not deal with the surrender of lands and resources, but in fact recognized Mi'kmaq and Wolastoqiyik title and established the rules for what was to be an ongoing relationship between nations.

Jack is a ten year old boy who lives with his mom and his american bulldog

They live in the log cabin in the forest.

This is my dog Rodger.

At the party, they had moose burgers and bannock with maple syrup.

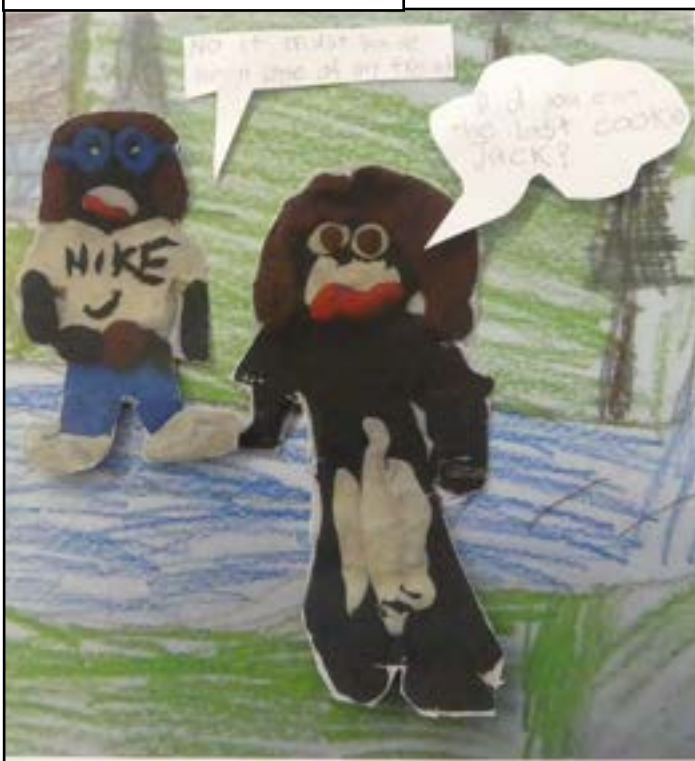

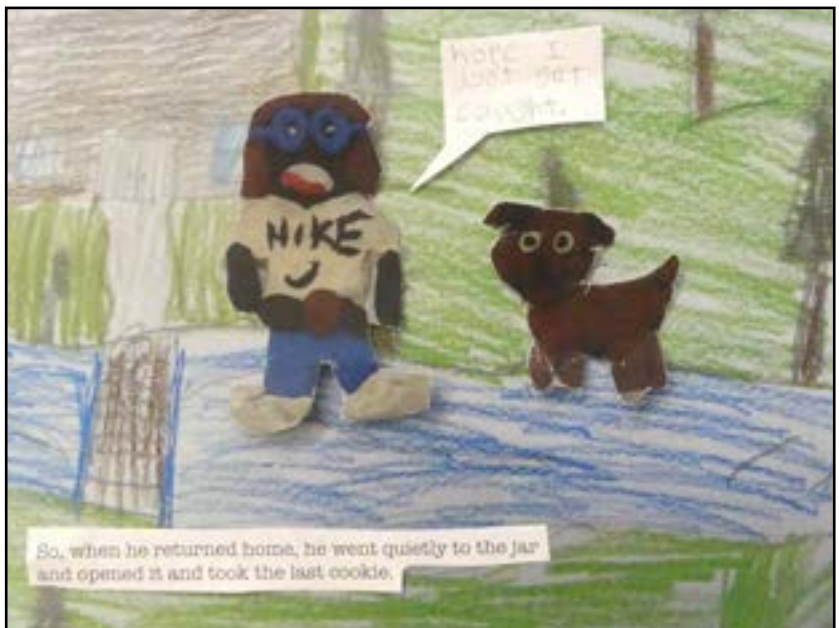

mymom!

Rodger was part of that little family so when his birthday was coming up...

Let's wish Rodger a happy birthday!

That's a great idea!

THE NEXT MORNING

That same day...

While his mom was making pancakes, Jack approached her to tell the truth.

Mom I have something to tell you.

I ate the last cookie.

Thanks for being honest +  
Jack please don't ever  
do it again.

As a gesture of honesty, Jack looks at his mom and asks...

can you make more  
cookies to give  
to grandma

Then all the other birds were nice to Johnny, but he was mean to the other birds and they were together to catch a lot of fish.

One nice sunny Thursday, late Spring...

Elder Royden was walking down the river  
with his beloved grandchildren, Mya and Dexter.

On their walk, they found a humongous beaver pond.

We saw Quipit sitting on top of his dam.

One morning...

Bullfin wakes up and goes to look for food.

At the same time, Wolf wakes up and plans to be bad.

Frog sits on a log with a banjo, minding his own business.

Wolf hasn't eaten anything in weeks. He is starving.

The wolf is going to try to eat Frog.

Buffalo is out walking and sees Wolf chasing Frog.

Buffalo drops all his food and starts running to help Frog.

They arrive at a dead end, and Buffalo comes to the rescue!

Frog laughs at Wolf.

Wolf snaps at him.

Buffalo charges Wolf and knocks him down.

Buffalo charges Wolf and knocks him down.

Buffalo charges Wolf and knocks him down.

Buffalo gives him food and lets him off with a warning.

Once upon a time there was a turtle with a birthday party by the river who invited all his friends.

It was a beautiful early morning and the sun was just starting to come up.

He invited his friends, beaver bear and rabbit.

Turtle was very excited for his party. He planned for them all to gather by the fire and have some s'mores and play games.

Later on in the day...

Rabbit arrived. She wished him a happy birthday and they waited for the others.

A couple minutes later...

They blew up balloons and got the s'mores made. They all went outside and talked for a while.

When it got darker and colder, they all made a fire and got some plates. They had stores and hot chocolate.

Then they heard something in the water and looked away. When they all looked away,

Beaver grabbed some smores and ate them all!

Turtle went over and saw that all the smores were gone. This made him very upset and asked who took them.

Nobody spoke up. His birthday was ruined. Bear was super mad and felt very bad for Turtle.

The next day, Bear visited Turtle and Turtle didn't even get out of bed.

He was too upset about his birthday.

So bear decided to get revenge.

He went to Rabbit and asked her who did it. She said she didn't know. So Bear gave up and went to Beavers's house.

They talked for about 5 minutes.

Can I tell you a secret?

I have eaten a human

Bear left before anyone found out.

Later Beaver was a missing animal. Everyone was looking for Beaver, but there was no trace of Beaver.

They will never find him...
